Subject: Filing of SARAL SIMS Return after the prescribed due date-reg

Attention is invited to the Ministry of Steel Notice dated 20.11.2025 regarding filing of SARAL SIMS Return for FY 2025-26, wherein the due date for submission of the annual return was prescribed as 30th April 2026 and subsequently extended up to 15th May 2026.

2. However, it has been observed that despite extending the date for filing of return, some importers have still not been able to file their SARAL SIMS Return during the extended time.

3. Therefore, to facilitate smooth compliance and promote ease of doing business, the Competent Authority has approved filing of returns after the prescribed deadline on payment of Late Return Filing Fee. This will enable transparent and efficient processing of delayed returns without manual intervention.

Timeline	Late Return Filing Fee
upto 30th June 2026	₹5,000
1st July to 31st July 2026	₹10,000

4. The above facility for late filing of returns upon payment of the applicable fee shall be made available on the SARAL SIMS Portal. Importers are advised to file their pending returns at the earliest to avoid further delays and ensure uninterrupted access to SARAL SIMS registration services.
